

# Access Church Worship Internship

**Access Church** (<https://www.access.gt>) is a **multicultural, non-denominational church** in **San Cristobal, Guatemala**, led by Pastor Fontaine Greene. Sermons are typically preached in English and simultaneously translated through wireless receivers/headphones for Spanish speakers. **Musical worship is lead in both English and Spanish.** Announcements, videos, social media posts, etc. are communicated in Spanish and English as well. Access Church is community focused and loves to gather together. In addition to the Sunday worship gathering, the Access family regularly participates in **small groups** throughout the week, **worship nights, recreational activities, and community development** service projects in Guatemala.

## **Access Church is seeking a worship intern with the following qualifications:**

1. Must have a heart to serve God and people, and be an active member of the church.
2. Willing to live in Guatemala (for an agreed period of time) and embrace unique cultures.
3. Demonstrates Godly character and loves to cultivate a personal relationship with God.
4. Experience leading a congregation in musical worship in a contemporary style.
5. A self-starter and a great team player. (you are organized, you communicate well, you serve and equip the media/worship team, etc.)
6. Excellent musicianship and dedication to improvement through regular practice. Must be able to sing (the ability to play an instrument is preferred but not mandatory). This position involves communicating with musicians in musical terms and leading a band, when the head worship leader is not available. Ability to effectively communicate rhythms, chords, techniques, harmonies for various instruments, and voices is important.
7. Tech savvy. You will work alongside the production/media team. Knowledge of relevant software (ProPresenter, occasional use of Multitracks, Video production, etc.) is important, but not an absolute.

## **Benefits:**

1. Access Church Guatemala offers a professional environment that spurs growth both spiritually and in the workplace.
2. This is an unpaid internship; however, it will not only cover any college or university credit requirements, but will also give you real-life experience and tools that will further prepare you for a life in church ministry.
3. Initial travel costs, health insurance, and meals will be covered by Access Church.
4. An on-site apartment is available for an individual or married couple. Terms and details can be further discussed during the acceptance process.
5. Moving to another country can be challenging, but also extremely fun and rewarding. The church staff and congregation will equip you in your move and will assist with transportation, visas, and logistics.
6. Access Church is a thriving community of Guatemalan nationals and North American missionaries, teachers, and professionals. You will easily feel at home here and will be blessed by how active the church body is.
